This scorecard is the result of an independent assessment conducted by the [Fairwork Foundation](#), a non-partisan research project based at the [Oxford Internet Institute](#), University of Oxford. As part of this assessment, we compared the manifestos of parties polling over 1% on average on the [BBC's General Election Poll Tracker](#) (as at 26 November), and additionally contacted and invited them to give updated positions on each policy. We do not promote or oppose political parties, or direct people on how to vote. To see a list of relevant excerpts from parties' manifestos, [click here](#).
